## Minor Puppy Dog (4)

**1 and Best Minor Puppy in Show** K Ordar and K Delacourt **WAZAZI TOTALLY TEMPTING** 3100057340 w. 26/06/19 Breeder: K Delacourt Sire: Ch Am Gr Ch Akuaba N Eldorado Time Traveler (imp USA) Dam: Ch Wazazi The Wow Factor **Critique:** A lovely square outline to this red dog, excellent overall balance and elegance, well made through the forequarter, lovely flow of neck into shoulder, with correct moderate angulation in hindquarter and lovely high set tail. His head was of correct proportion, with correct almond shaped eye, the head overall just a little strong for me. Could have moved slightly better on the out and back.

**2 K Lacey & L Marsden LOMAR AGENT X** 100323465 w. 29/06/19 Breeder: L Marsden Sire: Ch Fch Taqsim Devil In Disguise Lcm Dam: Sup Ch Lomar Hot Pants **Critique:** Tri dog of excellent breed type with excellent head and correct set and hooding of the ears. Well made through the forequarter with lovely flow of neck into shoulder. He is slightly longer in loin to the first placed dog giving a slightly longer than square overall outline and his topline not quite as firm. Lovely high set tail and excellent hindquarter with good reach of buttock.

**3 D Wheatley LEEUJAGTER CORPORAL O REILLY** 3100394880 w. 01/07/19 Breeder: Mrs N Notting Sire: Fayrelyn Stars N Stripes Dam: Tamard Your Beautiful **Critique:** Brindle dog. A little naughty on the day but has potential once the handler works with him a little more. Overall, he was a heavier style than the previous two exhibits, slightly shorter in foreface (muzzle) and neck not giving him the same elegance as the previous placegetters.

## Puppy Dog (3)

**1 and Best Opposite Puppy in Show** BEC Salmon **BARZOOM PICARD OF BORG** 100542618 w. 28/06/19 Breeder: Exhibitor Sire: Ch Karamo Mikolo Dam: Barzoom Black Magic **Critique:** A Brindle dog with a correct square outline. His head is of good proportions with correct set of the hooded ears. His shoulders are well laid with a lovely flow of neck into his short, level topline. Correct moderate angulation to his hindquarter although the handler does tend to overstretch him a bit.

**2 L Marsden LOMAR CAPTAIN AMERICA** 4100323466 w. 29/06/19 Breeder: Exhibitor Sire: Ch Fch Taqsim Devil In Disguise Lcm Dam: Sup Ch Lomar Hot Pants **Critique:** Red dog. Overall a correctly proportioned dog with excellent length of leg, level topline, correct moderate angulation, lovely set of tail and reach of buttock. I found his head to be out of balance, his muzzle too long in relation to his length of skull giving him a slightly foreign expression. Moved well.

**3 J Power ZANZIPOW IN LIKE FLYNN** 100521547 w. 14/06/19 Breeder: Exhibitor Sire: Ch Zandeena Look Good In My Shirt Dam: Ch Zanzipow Bowies Rebel Rebel **Critique:** Red dog. This dog has the most beautifully proportioned head with lovely fine wrinkle. He was not quite as well angulated as the previous placegetters and he could carry slightly less weight. He didn't move as well as the previous placegetters, tending to crab on the out and back on the day.

## Intermediate Dog (5)

**1 Reserve Challenge Dog and Best Intermediate in Show** A & C Curnick **CH KARAMO CHUCHO** 3100358630 w. 12/05/2017 Breeder: Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba **Critique:** A smaller red dog of excellent overall proportions and correct square outline. He has a really pleasing head and expression and lovely shape and colour of eye, he is well filled through the forequarter, excels on the move. Not always making the best of himself on the stack but absolutely excelled on the move with the characteristic gazelle like elegance.

**2 T Young CH TAMBURI LUCIAN** 3100377436 w. 24/05/2018 Breeder: A Druce Sire: Sup Ch Tamburi Seven Streams Of Soma Dam: Sup Ch Tamburi The Secret Society **Critique:** Beautiful overall proportioned red dog, standing correctly high on leg with correct length of neck flowing into well laid shoulders. Short, level topline with correct moderately bent stifles, good reach of buttock behind the wells et tail. He has a beautiful head and expression, correctly set hooded ears and was exhibited in peak coat and condition. He unfortunately breaks in pastern on the move which is so uncharacteristic for the breed and placed him behind the first placegetter

**3 Dr D Braithwaite & Miss M Clift CH NAYEMBE YAAMAS KIPEPEO** 2100477687 w. 15/06/2017 Breeder: Exhibitor Sire: Ch Nayembe Safiyas Araalinkuba Dam: Ch Eurabbie Black Dhalia **Critique:** A red dog of good size, with correct square outline, well laid shoulders, excellent fill through the forequarter, lovely flow of neck into shoulder, short, level topline with correct high set tail. Not quite as well angulated in hindquarter as the first and second placegetters. He has a lovely head and expression but let himself down in temperament being a bit nervous on the table and on the move.

## Limit Dog (3)

**1 and Best Opposite Limit in Show** Ms K Ordar **NONAYM RIVER SONG OTHE CONGO** 3100360378 w. 27/05/2017 Breeder: Exhibitor Sire: Ch Afrikenji Hunting High And Low Dam: Gr Ch Nonaym Bells Of The Congo **Critique:** A correct, square outline to this red dog with an excellent head and expression, wonderful crest of neck flowing into short level back and correctly angled shoulders. Well filled through the forequarter with excellent depth of chest. Correct, short, level back with good set of tail and lovely reach of buttock and correct, moderately angled stifles. Carried himself well around the ring.

**2 L Hunter TAMARD BONFIRE HEAT** 100435691 w. 13/06/15 Breeder: E & B Wyatt Sire: Tamard A Holy Land Dam: Remwin Dark Vision **Critique:** Perhaps a bit ring inexperienced this red dog with correct square outline, correctly proportioned head (muzzle to skull ratio). He tended to be a bit lazy with his ears on the day giving a blandness to the head. His back is short, his tail well set and nicely curled and his forequarter and hindquarter angulation in balance but not as good as the first placegetter.

**3 Dr D Braithwaite & Miss M Clift NAYEMBE YAAMAS MIDNIGHT KITO** 2100477685 15/06/2017 Breeder: Exhibitor Sire: Ch Nayembe Safiyas Araalinkuba Dam: Ch Eurabbie Black Dhalia **Critique:** An absolutely beautiful head and expression on this black and white dog with good length of neck flowing into lovely level topline and correct high set tail. Not quite as good in angulation as the previous placegetters which affected his reach on the move and he tended to break a bit in pastern when reaching forward.

### State Bred Dog (2)

**1 and Best Opposite State Bred in Show** A & C Curnick **CH KARAMO KOLUKA** 3100358633 12/05/2017 Breeder: Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba **Critique:** This red dog doesn't always present the perfect picture when on the stack but exemplifies the breeds elegance and grace on the move. When he does stand properly He presents a lovely square outline, his head is of correct proportions with excellent profuse wrinkle, I would however like to see slightly darker pigment around the eye. His neck is of appropriate length and thickness, his back is short and level and his set of tail just slightly below the level of his back. His angulation while just adequate is balanced.

**2 Ms K Ordar GR CH NONAYM SOUND OF THE CONGO** 3100290887 w. 16/06/2013 Breeder: Exhibitor Sire: Gr Ch Barzoom Captain James T Dam: Unomee Unique Stunna **Critique:** A 7-year-old red dog who also presents a correctly square outline. His neck flowed smoothly into his short back, his topline just slightly falling away at the croup. On the day he had a tendency to stand a bit stiff legged in hindquarter causing his topline to rise slightly to the rear and on the move, he tended to break the reach of his foreleg by breaking at the pastern.

### Australian Bred Dog (4)

**1 and Best Opposite Australian in Show** L Marsden **SUP CH LOMAR CUT THE MUSTARD** 100291785 w. 09/05/2017 Breeder: Exhibitor Sire: Ch Lomar Xena Psylla Dam: Ch Baagna Jenni Witha J **Critique:** A beautifully proportioned red dog, square in outline with a really lovely head of correct proportions (muzzle to skull) and excellent wrinkle and expression. He has good length of neck flowing into well laid shoulders with excellent fill though the front and a short, level topline and correct high set tail. He moved beautifully around the ring on the day.

**2 P Hickie KIKONGO RED PYRAMID OF POWER (AI)** 2100482815 w. 18/07/18 Breeder: Exhibitor Sire: Sup Ch Afrikenji Hot Sumaknight Dam: Ch Kikongo African Eskimo Kyss **Critique:** This red dog also has a really lovely, correctly proportioned head, excellent expression and correctly set hooded ears. He has a neck of good length and a correct short, level topline with excellent set of tail and good reach of buttock giving him a correct square outline. While of correct moderate angulation in hindquarter, his forequarter angulation was not quite as good as the first placed dog causing the neck transition into topline not to be as smooth. Moved well.

**3 Miss M Darr CH XALMES MAN OF COLOURS (AI)** 2100454406 w. 12/06/2016 Breeder: Exhibitor Sire: Gr Ch Wazazi Classic Lover Dam: Ch Wazazi Rapt In Rubys **Critique:** A tri dog which was proving to be a bit of a handful for his handler. He is slightly longer in loin than the previous two dogs, his topline not quite as firm and his head a bit stronger. Once the handler got him going, he actually moved extremely well.

### Bred by Exhibitor Dog (3)

**1 and Best Opposite Bred by Exhibitor in Show** Mrs S Coe **AM GCH AUS CH AKUABA N ELDORADO TIME TRAVELER (IMP USA)** HP53314602 29/12/2016 bred by P Geoffroy, S Coe & S Lund Sire: Am Ch Changa's Gala Celebration

(usa) Dam: Am GCHG Eldorado N Akuaba Betcha By Golly Wow! (usa) **Critique:** A beautifully balanced red dog, with head of correct proportions just lacking a bit of expression on the day. He has well laid shoulders, lovely fill through the forequarter, excellent depth of chest, smooth correct underline rising gracefully to short loin, level topline and high set tail. Well angulated hindquarter with good length of second thigh. Moved with characteristic gazelle like elegance. A very competitive dog.

**2 Dr D Braithwaite & Miss M Clift CH NAYEMBE YAAMAS JARRAH** 2100498904 w. 22/05/2018 Breeder: Exhibitor Sire: Ch Nayembe Safiyas Araalinkuba Dam: Ch Eurabbie Black Dhalia **Critique:** A red dog with characteristic, lofty head carriage, excellent proportions to the head with good expression and ears well tipped forward giving correct hooded appearance. He is well made through the forequarter, with good fill and depth of chest. He is slightly longer in back than the first placed dog and not as well angulated in hindquarter, tending to stand a little high in rear.

**3 A & C Curnick CH KARAMO KOSIMBA** 3100358631 w. 12/05/2017 Breeder: Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba **Critique:** A smaller style red dog not as well balanced as the previous placegetters. His head and expression I found to be a bit atypical for me but lovely wrinkle and correct ear set. His reach of neck and the flow of his neck into his topline was also not quite as good as the previous placegetters and his topline tended to roach slightly on the day.

### Open Dog (2)

**1 Dog Challenge, Best Open in Show, Runner Up in Show and Best Opposite Sex in Show (25 points)** J Lanser **SUP CH LOMAR HAT TRICK** 4100260430 w. 14/06/15 Breeder: L Marsden Sire: Ch Baagna Final Quest Dam: Ch Lomar Chai Latte **Critique:** A lovely square outline to this red dog. He has an excellent and very typical head and expression, lovely balance to the length of neck, giving the typical lofty head carriage. His back was short and level finishing with an excellent high set tail and lovely reach of buttock. His hindquarter was excellent with the correct length of second thigh and lovely sweep to his moderately bent stifles. He led his handler around the ring with the typical gazelle like elegance. Beautifully handled.

**2 Dr D Braithwaite & Miss M Clift CH NAYEMBE SAFIYAS ARAALINKUBA** 2100457574 w. 08/07/2016 Breeder: Exhibitor Sire: Ch Kikongo Trixies Kruger Mojo Dam: Ch Bullab Xenas Safiya **Critique:** A red dog, slightly longer in back than the first placed dog giving him a more rectangular than square outline. He has a lovely head and expression and a neck of correct length. His topline, while firm, tended to rise to the rear, his angulation while balanced front and rear was not sufficient to let down his hocks and drop his topline to level. On the move he tended to be a little loose through the forequarter.

### Veteran 7-10 Years Old Dog (2)

**1 and Best Veteran 7-10 in Show** A & C Curnick **CH KARAMO MIKOLO** 100273427 w. 23/05/2012 Breeder: Exhibitor Sire: Gr Ch Barzoom Captain James T Dam: Ch Karamo Malamu **Critique:** Overall a correctly proportioned, red dog with correct square outline, a head with correct balance of forehead to muzzle, lovely crest of neck, short level back, correct high set tail with open twist, good reach to the buttocks and lovely sweep to the stifles. I would just like to see slightly more angulation in forequarter and more fill between the front legs for my ideal. Carried himself well on the move.

**2 A & C Curnick GR CH BARZOOM CAPTAIN JAMES T** 2100318810 w. 01/06/2010 Breeder: Mrs B E C Salmon Sire: Ch Karamo Zinga Kitoko Dam: Barzoom Morticia **Critique:** A smaller, red dog with an absolutely, beautiful head and expression with profuse fine wrinkle even at 10 years of age. He has a lovely neck and well laid shoulders and a correct short back. His tail is a little open and his topline a little soft now given his age. His turn of stifle is not quite as good as the first placegetter in the class and he tends to stand high in the rear. He didn't carry himself on the move quite as well as the first placegetter but I am sure he was a very competitive dog in his day.

## Challenge Dog and Reserve Challenge Dog General Comments

The Challenge dog is the Open dog, Exhibit Number 27. This dog to me, exemplifies the breed when on the move. He has a beautiful square outline and lead his handler around the ring with the characteristic energy efficient, gazelle like grace.

The Reserve Challenge dog is the Intermediate dog. This dog also moved with the characteristic elegance of the breed and for me was a similar style of dog to the challenge winner.

There were two other dogs in the challenge dog line up of mention. They were the Bred by Exhibitor dog and the Australian Bred dog. These two dogs were of a similar style to each other but not similar in style to the Challenge dog but were both also worthy of mention here and certainly were of consideration when determining my cc and rcc dog placings.

## Minor Puppy Bitch (3)

**1 and Best Opposite Minor Puppy in Show** T Johnston TEEEEFOO HUNNYS RED HOT WOMEN 2100519687 w. 14/06/19 Breeder: Exhibitor Sire: Ch Baagna Jiminy Cricket Dam: Ch Remwin Thisismytime **Critique:** Lovely head and expression on this red bitch with absolutely beautiful pigment. She has a very pleasing correct, square outline with a lovely flow of neck into her short, level topline culminating in her excellent high set tail. She could perhaps have been a little leaner in condition and unfortunately has that break at the pastern when on the move. This seems to be something creeping into the breed which I had not noticed as an issue previously.

**2 BEC Salmon BARZOOM RESISTANCE IS FUTILE** 2100524620 w. 28/06/19 Breeder: Exhibitor Sire: Ch Karamo Mikolo Dam: Barzoom Black Magic **Critique:** Lovely head and expression on this brindle bitch. Square in outline with correct short back and balanced angulation. Her topline was not quite as firm as the first placegetter and she was proving to be a bit of a handful for her very patient handler.

**3 A & C Curnick KARAMO ONE NOTE SAMBA** 3100396080 w. 11/07/19 Breeder: Exhibitor Sire: Ch Barzoom Magicman Dam: Ch Karamo Karemba **Critique:** Brindle bitch, her head was not quite as good as the previous placegetters, tending to be a little round in eye and lacking strength in the muzzle. She has the correct square outline and was balanced in angulation. Her topline was not as firm as the first placed bitch and her tail set slightly lower than the level of her back.

## Puppy Bitch (2)

**1 and Best Puppy in Show** T Young JILLAYLA LITTLE TIMARU TIKI (IMP NZ) 05170-2019 w. 11/06/19 Breeder: R L Cooper Sire: Jillayla Finishing Touch Dam: Nz Ch Kalisha of Jillayla **Critique:** Brindle bitch with a lovely, correct, square outline, pleasing head and expression, neck of correct length flowing into her short back culminating in her beautiful high set tightly double curled tail. She could do with slightly more reach of buttock and turn of stifle and did have the tendency to stand a little high in the rear as a consequence. She tended to be a bit lazy on the move but when she did finally get going she had the characteristic long, tireless swinging stride. She was exhibited at her absolute peak of condition, beautiful coat and carrying the perfect amount of weight.

**2 A & C Curnick KARAMO BOSSA NOVA** 3100393718 w. 17/06/19 Breeder: Exhibitor sire: Ch Am Gr Ch Akuaba N El-dorado Time Traveler (imp USA) Dam: Ch Karamo Eloi **Critique:** Pretty square outline on this red bitch. Her head was of correct proportions however I would like to see slightly darker eye pigment. While her angulation was balanced in forequarter and hindquarter she was not as well angulated as the first placegetter. Her topline was let down by her low set and open tail which she tended to lift off her back spoiling her overall outline. She moved nicely around the ring with the correct elegance.

## Intermediate Bitch (3)

**1 and Best Opposite Intermediate in Show** A & C Curnick CH KARAMO LOBIBI 3100358632 w. 12/05/2017 Breeder: Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba **Critique:** A red bitch with a really lovely crest to her elegant, length of neck, short level topline which she held on the move. She carried herself beautifully around the ring, out moving the other bitches in the class, making the most of her well angulated hindquarter.

**2 P Hickie KIKONGO RED MINX OF THE SPHINX (AI)** 2100482816 w. 18/07/18 Breeder: Exhibitor Sire: Sup Ch Afrikenji Hot Sumaknight Dam: Ch Kikongo African Eskimo Kyss **Critique:** A red bitch with correct proportions to her head, a lovely strength and length to her neck which was in balance to her overall correctly square outline. She has a lovely high set, tightly curled tail with excellent reach of buttock beyond the tail and correct moderate hindquarter angulation. Her topline, while short, presented the slightest roach over the last rib on the day and she tended to break in pastern on the move.

**3 Dr D Braithwaite & Miss M Cliff CH NAYEMBE YAAMAS KYIRRIE** 2100498908 w. 22/05/2018 Breeder: Exhibitor Sire: Ch Nayembe Safiyas Araalinkuba Dam: Ch Eurabbie Black Dhalia **Critique:** Lovely head and expression on this red bitch with really lovely dark pigment around her eye. She is correctly square in outline just needs a little more angulation in both forequarter and hindquarter, her topline also a little soft on the move.

### Limit Bitch (3)

**1 and Best Limit in Show** D Lindquist & M Calderwood **BKELA MARI AMARA** 3100376829 w. 04/06/2018 Breeder: Exhibitor Sire: Gr Ch Nonaym Sounds Of The Congo Dam: Ch Bkela Meem Mali **Critique:** Lovely head and expression with lovely fine wrinkle on this red bitch with lovely dark pigment around the eye. She presents a correct square outline and carried herself well around the ring.

**2 L Hunter ZANZIPOW BOWIES ASHES TO ASHES** 2100445450 w. 14/01/16 Breeder: J Power Sire: Sup Ch Zandeena A Twist Of Fate Dam: Ch Zanzipow Stellar Red Surprise **Critique:** A more substantial red bitch than the first placegetter. She has a very pleasing outline and is very balanced in her construct. She just drops off slightly in croup when on the move and unfortunately her temperament let her down on the day.

**3 K Ordar NONAYM CONGO BELLS A HUNTING** 3100360376 w. 27/05/17 Breeder: Exhibitor Sire: Ch Afrikenji Hunting High And Low Dam: Gr Ch Nonaym Bells Of The Congo **Critique:** A heavily marked tri bitch who, for me didn't present the elegance of the other placegetters in the class. She is slightly short in foreface, has a good set of ear, her neck flowed nicely into her shoulder and she was well filled in front. Her underline was straight with little or no tuck up in loin which presented a heaviness to her outline. Perhaps a little fat on the day.

### State Bred Bitch (1)

**1 and Best State Bred in Show** D Lindquist & M Calderwood **CH BKELA MEEAM MALI** 3100290780 w. 12/06/2013 Breeder: Exhibitor Sire: Ch Bkela Suni Mokobi Dam: Ch Bkela Malawi **Critique:** A tricolour bitch, the only exhibit in the class. Square in outline with excellent set of well hooded ear and correct proportions to her head. Her neck, while well crested could do with a little more length for overall balance and elegance of outline but flowed nicely into her short level topline. Her tail was well set, carried on top of the back with correct reach of buttock beyond the tail. Unfortunately, she presented that break in pastern on the move which appears to be creeping into the breed.

### Australian Bred Bitch (3)

**1 Challenge Bitch, Best Australian Bred in Show and Best Exhibit in Show (25 points)** J Power **SUP CH ZANZIPOW BOWIES CHINA GIRL** 2100445451 w.14/01/16 Breeder: Exhibitor Sire: Sup Ch Zandeena A Twist Of Fate Dam: Ch Zanzipow Stellar Red Surprise **Critique:** Exceptional red bitch. There is nothing exaggerated or out of balance about this bitch. She is lightly built, perfectly square outline with really pretty, feminine head and expression. Her lovely length of neck flows into her short, dead level topline, culminating in a lovely high set tail and beautiful reach of buttock behind the tail. She is perfectly balanced in construct and so typical of the breed on the move with her lovely long, tireless swinging stride. Beautifully handled.

**2 T Johnston REMWIN THISISMYTIME** 2100431480 w. 13/06/05 Breeder: L A Hughes Sire: Ch Remwin Black Ramesis Dam: Gr Ch Remwin African Deity **Critique:** I can see the defiance of this feisty little red bitch. She certainly made her handler work. She would push herself too far forward over her forequarter, sloping her topline like a gun dog while also pushing her ears out to the side of her head giving a blandness to her expression in absolute defiance. She narrowly beat the third placed bitch by lifting herself and holding her shape slightly better on the last go around the ring. I think we have all had a bitch like this in our time.

**3 Dr D Braithwaite & Miss M Clift CH NAYEMBE SAFIYAS SARABI** 2100457576 w. 08/07/2016 Breeder: Exhibitor Sire: Ch Kikongo Trixies Kruger Mojo Dam: Ch Bullab Xenas Safiya **Critique:** Another red bitch with a very pretty head and expression just slightly longer in back than the other placegetters and on the move tended to lose her shape by dropping her head forward, not reaching in front as well and losing her topline.

### Bred by Exhibitor Bitch (2)

**1 Reserve Challenge Bitch and Best Bred by Exhibitor in Show** Miss M Darr **GR CH XALMES SHAKE IT UP SISTER (AI)** 2100454407 w. 12/06/2016 Breeder: Exhibitor Sire: Gr Ch Wazazi Classic Lover Dam: Ch Wazazi Rapt In Rubys **Critique:** Strong, showy red bitch with beautiful head and classic breed expression. She has an excellent length of neck flowing into well angulated shoulders, lovely short back and high set tail with well angulated hindquarter. Moved beautifully on the go around. The handler needs to be careful not to pull her head back over her shoulders on the move.

**2 A & C Curnick CH KARAMO ELOLI** 3100308605 w. 02/07/2014 Breeder: Exhibitor Sire: Gr Ch Barzoom Captain James T Dam: Ch Karamo Mopanzi **Critique:** A finely built brindle bitch. Overall, she is correctly square in outline her angulation not quite as good as the first placed bitch, her tail, while relatively well set is carried high and off the back, tending to spoil her outline. Her movement around the ring was balanced but she tended to flick her front leg out on the up and back on the day.

### Open Bitch (2)

**1 and Best Opposite Open in Show J Power CH ZANZIPOW BOWIES REBEL REBEL** 2100445447 w. 14/01/16  
 Breeder: Exhibitor ire: Sup Ch Zandeena A Twist Of Fate Dam: Ch Zanzipow Stellar Red Surprise **Critique:** Very pretty head and expression on this red bitch with lovely set to her nicely hooded ears, excellent pigment around the eye, lovely flow of well crested neck into her short level back and a lovely high set to her well curled tail. She has good reach of buttock behind the tail and lovely sweep to her moderately bent stifles. She is very sound and typical in her movement.

**2 Ms K Ordar GR CH NONAYM BELLS OF THE CONGO** 3100290885 w. 16/06/2013 Breeder: Exhibitor Sire: Gr Ch Barzoom Captain James T Dam: Unomee Unique Stunna **Critique:** A tri bitch, a little bit shorter in foreface and wider in ear set than the first placed bitch. She is well constructed in both forequarter and hindquarter with excellent fill through the chest, correct short back and lovely set to the tail while the tail was more open in curl than the first placed bitch. This bitch tended to be a bit choppy in movement on the go around, not presenting the same elegance as the first placed bitch

### Veteran 7-10 Years Bitch (1)

**1 and Best Opposite Veteran 7-10 in Show A & C Curnick CH KARAMO KAREM-BA** 3100273429 w. 23/05/2012 Breeder: Exhibitor Sire: Gr Ch Barzoom Captain James T Dam: Ch Karamo Malamu **Critique:** A seven-and-a-half-year-old red bitch who was the only exhibit in the class. ### Challenge Bitch and Reserve Challenge Bitch General Comments

The Australian Bred bitch class winner was the Challenge bitch. This bitch holds her topline beautifully both standing and moving. A really pretty bitch who exemplifies the elegance, soundness and proudness required for the breed. Beautifully handled without exaggeration or overstretching.

The Reserve Challenge bitch was from the Bred by Exhibitor class. A very showy bitch who led her handler around the ring with the elegance and tireless swinging stride we would expect from the breed.
