**Runner Up and Best Opposite in Show**  
**REMWIN ITSALLABOUTME**

It was an honor and a privilege to be invited to judge your 51<sup>st</sup> Championship show. I haven't been to Australia or BCOV since 1994 when I judged the Property Classes at your old show site. It was a delight to see many familiar faces, as well as so many new ones.

Over the past 7 months, I have had the unique opportunity to have a cross-continent snapshot of the breed. I judged the Swedish National last August, competed at the Basenji Club of America National in September, and then judged BCOV in March. Certainly some bloodlines are crossing the oceans, but it's quite interesting to see how the breeders are using what they acquire, and which traits are being diluted. The following is my overall summary of my BCOV entry:

Especially considering that we were on the threshold of breeding season, the temperaments of the exhibits have improved over what I experienced here 24 years ago. There were more tail wagers, and charming characters who loved to show than I saw here before; And I did not have even one exhibit take exception to being examined. The heads of the Australian Basenjis have long been coveted as the best in the world; Please take heed not to lose your small hooded ears, and profuse wrinkle that were once nearly universal here, because collectively you are the remaining stewards of these features as they have nearly disappeared on the other continents. I would also like to congratulate you all for being so supportive of one another. It was a hot day with airplanes taking off and landing, while canopies flew topsy-turvy, yet all of the exhibitors and all of your

Basenjis managed to take it in stride and recover quickly. All the world should take note of your sincere sportsmanship. We partake in this sport for pleasure, and you know how to make sure that we all indeed have fun!

I trust as I offer these critiques, that you will consider that I honestly have your best interest at heart as we share our passion for preserving this breed: Proper construction and locomotion are very important to assure durability, so that a dog can work daily, and enjoy a long life free of joint pain. A Basenji moving in silhouette should never be mistaken as a different breed, thus movement is a function of type. I was very concerned to see so few dogs that moved “clean” without crabbing on the down & back, due to a lack of balance between their

front and rear angles. I saw equally as many who did not hold a level top line on the fly. Far too many exhibits had their shoulder blades knit too high upon their vertebrae which produces the unpleasant wrinkling or folds at the withers thus destroying the proper outline.

Overall, I was very pleased with all of my placements, particularly of my top winners. Every soul present contributed to the joy of the day. Thank you all for showing to me, for your grace, and for your generous hospitality.

Baroos to you all,  
Katie Campbell

### Minor Puppy Dog (3)

- 1 – Reserve Dog Challenge – Best Minor in Show** Miss H. P. Church **ZANZIPOW TIME TRAVELLER** 2100479073 01/07/2017 bred by Mrs J Power Sire: Ch Gaelifrey Wynter Frost Dam: Ch Zanzipow Stellar Red Surprise. Critique: *Gorgeous headpiece, proper ear set as well as small and hooded. Has true “mascara” with dark pigment fully lined around the eyes. Makes a lovely picture standing. Well balanced boy, though I wish he was a bit more angulated in both shoulders and rear. Nicely put together dog. Very much at ease on the move which is key to embrace the breed’s elegance. Reserve Challenge Dog from Minor Puppy Dog. He possesses a spectacular classic style headpiece with all the wrinkle we can hope for in the breed; let’s hope that he can hold that upon maturity. His head proportions are what I am looking for when I imagine the ultimate Basenji male headpiece. He possesses lovely dark pigment around his eye, he has cushion at the muzzle, and his nose leather is inky. He has a whisper of the folds over his shoulder which is hard for me to overlook when charged with awarding a Specialty Challenge. This handsome red & white youngster may only have a whisper of white on his front left paw, but as a specialist I understand that to be purely cosmetic and inconsequential. He has a proper tail set with a nice reach of buttock. He’s well balanced and truly improved throughout the course of the day. His movement became more confident and fluid demonstrating an ease of reach and drive. After the competition I was told that this was only his second show entry, and I must note that he was happy, cooperative, and brilliantly handled. His owner seemed to be thrilled and I sincerely hope that she will support this dog to finish his championship. I believe him to be a very exciting young dog and I am sure that The Fancy will enjoy seeing him grow up as he has the potential to achieve greatness.*
- 2** D Braithwaite & M Cliff **NAYEMBE YAAMAS KIPEPEO** 2100477687 15/06/17 Breeder: Exhibitor Sire: Nayembe Safiyas Araalinkuba Dam: Ch Eurabbie Black Dahlia. Critique: *A truly handsome head with the well-set ears nicely hooded. Little straight fore and aft. Not as well collected on the move as the class winner.*
- 3** Mr GE Ashley & Ms J James **KIMONDO TRIWARRIOR** 2100483920 20/07/2017 bred by Mr GE Ashley & Ms J James Sire: Sup. Ch. Afrikenji Hot Summaknight Dam: Bayenzi Holly Golightly. Critique: *Gorgeous coat on this tricolor dog of handsome body and substance. Not behaving himself in the ring as well as we would hope on a specialty day. His head is currently a bit out of proportion due to the size of his back skull. Handsome tail set and curl.*

## Puppy Dog (5)

**1 – Opposite Puppy in Show** Ms P Hickie **KIKONGO RED PYRAMID OF POWER (AI)** 2100482815 18/07/2017 bred by Exhibitor Sire: Sup. Ch. Afrikenji Hot Sumaknight Dam: Ch. Kikongo African Eskimo Kyss. Critique: *Very nice overall package. Great pigment. Good wrinkle. Still quite immature, which is to be expected. Proper tail set. Could have more pendulum reach and drive.*

**2** Mr A Druce **TAMBUZI SEVEN STREAMS OF SOMA** 3100361833 07/07/2017 bred by Exhibitor Sire: Am Gr Ch. Ch. Kazor's Breaking The Bank (imp USA) Dam: Ch. Tambuzi The Secret Of Roan Inish. Critique: *A different style of dog to the others here as he has more bone than the others, but that doesn't bother me at all. Well-constructed shoulders, and he has enough angulation in his rear but his front and rear are not working in concert together (yet) as he is not clean moving coming and going at this time. Not as much wrinkle as the others in his class.*

**3** A & C Curnick **KARAMO KOSIMBA** 3100358631 12/05/2017 bred by Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba. Critique: *Nice package. A bit too fine in bone for me at this time as a male. Terrific ear set. Beautiful wrinkle. A bit more fore face and a rounder eye than I'd like to see. Good package. Kept getting better and better as he showed today.*

Note on NAYEMBE YAAMAS MIDNIGHT KITO Critique: *If I had an "honorable mention," for this class, I would award to this dog on his star component, his head. His headpiece is absolutely exquisite in virtually every way: Proper proportions, abundant wrinkle; ear size and ear set, dark almond eye. Clearly, he is not feeling his best today as his cadence did not have a rhythm to it. His hip bones are prominent, and his top line is not level which my eye is drawn to, which hindered his ability to come together at the trot. His body is immature and needs time grow up to determine his ultimate quality, but this head is truly scrumptious - particularly for black & white.*

## Junior Dog (3)

**1 – Best Junior in Show** A & C Curnick **KARAMO KOLUKA** 3100358633 12/05/2017 bred by Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba. Critique: *Overall nice package. Moves easily. Balanced fore & aft. Pleasant headpiece, though a bit longer in fore face than my ideal.*

**2** Ms K Ordar **NONAYM RIVER SONG OTHE CONGO** 3100360378 27/05/2017 bred by Exhibitor Sire: Ch Afrikenji Hunting High And Low Dam: Gr Ch Nonaym Bells Of The Congo. Critique: *Nice dog of substance, not overdone. A masculine headpiece though a bit cheeky. Sadly has one tooth off. Overall makes a reasonable package.*

**3** A & C Curnick **KARAMO CHUCHO** 3100358630 12/05/2017 bred by Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba. Critique: *Sweet expression with classic wrinkle. Very proper feet. However, he's not converging properly coming and going and his top line is not as level on the move as his classmates.*

### Intermediate Dog (5)

1 – **Opposite Intermediate in Show** Ms Brigid Effi Celine Salmon **CH BARZOOM MAGICMAN** 2100433553 25/05/2015 bred by Exhibitor Sire: Karamo Dancing Leopard Dam: Barzoom Black Magic. Critique: *As a whole, this brindles makes a super package. He moves with ease and tremendous grace. Handsome headpiece. Not a lot of substance for a dog of his age. I'd like to see a stronger top line. True demarcation of bold charcoal stripes upon a clear chestnut red background. Well-equipped to work all day.*

2 Miss S M Tromp **CH LOMAR DRESSED TO IMPRESS** 4100260435 16/06/2015 bred by L Marsden Sire: Supreme Ch Baagna Alpha Cheek Dam: Ch Baagna Iman Diamond Girl. Critique: *I had to split hairs on this placement between this dog and the class winner. This tricolor boy could have crisper demarcation between his colors. Undoubtedly, he is one of the best moving dogs of the day as he is properly collected and effortless both walking and on the trot. Sadly, he has a bit too much body for my taste as I'd like to see more daylight underneath him to appear more "high on leg." He has good feet, tail and tail set. His movement should be very valuable to breeding programs.*

3 Mrs L Cooper **EURABBIE KATOS** 2100453537 01/06/2016 Breeder: Miss R J Mayo-Ramsey Sire: Ch Baagna Jiminy Cricket Dam: Tamard Thundabird. Critique: *Lovely eye pigmentation. Quite refined for a male of his age. Stunning, very shiny red & white coat. His top line was strong enough to achieve the proper outline.*

### Limit Dog (4)

1 – **Opposite Limit in Show** Ms N Blakeley & Miss P Hickie **NAYEMBE SAFIYAS IKENO** 2100457573 08/07/2016 bred by Dr D Braithwaite And Miss M Clift Sire: Aust Ch Kikongo Trixies Kruger Mojo Dam: Aust Ch Bullab Xenas Safiya. Critique: *Handsome headpiece, lovely mascara and overall pigmentation. Ample wrinkle. Truly high on leg. Clean coming & going as well as on the fly. Overall nice package.*

2 Miss M Darr **XALMES MAN OF COLOURS (AI)** 2100454406 12/06/2016 bred by Exhibitor Sire: Gr Ch Wazazi Classic Lover Dam: Ch Wazazi Rapt In Rubys. Critique: *Good looking tricolor dog. Not as clean moving as the class winner. Glorious headpiece with nice hooded ears. Great feet. So many nice things to like about this charming dog.*

3 Ms L Hunter **TAMARD BONFIRE HEAT** 2100435691 13/06/2015 bred by Mr E & Mrs B Wyatt Sire: Tamardv A Holy Land Dam: Remwin Dark Vision. Critique: *Sweet lad. Nice short muzzle. Ample pigment. Coat quality was not in par with the others in this class.*

#### State Bred Dog (4)

##### 1 – Best State Bred in Show D Veless & H Veless **CH AFRIKENJI HUNTING HIGH AND LOW**

3100273206 21/05/2012 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Ch Afrikenji Indigo Ice (ai). Critique: *Lovely package. Yummy headpiece: Profuse wrinkle, correct almond eye shape, dark far-seeing color then outlined in pigment. If I could take a smidgen of fore face from him, his head would be optimal. Good tail and tail set. Level top line. On the move, as you watch him sweep around the ring, you have a confidence that if this dog's charge was to bring home dinner, that he could and would deliver. Definitely a top contender of the day.*

2 A & C Curnick **CH KARAMO DANCING LEOPARD** 3100308602 02/07/2014 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Ch Karamo Mopanzi. Critique: *Close in quality to the class winner, though not as clean moving. Elegant yet masculine in stature. Strong charcoal striping on a true red background on this good-looking brindle dog. Loads of authentic wrinkle - not just borrowed from his brindle striping.*

3 Ms K Ordar **GR CH NONAYM SOUND OF THE CONGO** 3100290887 16/06/2013 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Unomee Unique Stunna. Critique: *Good looking red & white dog who was unfortunately taxed by the heat of the day. Muzzle shorter than skull on a strong headpiece. Lovely feet. Top line should be more level and tail set higher.*

#### Australian Bred Dog (3)

1 – Opposite Aus Bred in Show Mrs B Reid **CH. TAQSIM DEVIL IN DISGUISE [AI] JC** 3100343584 05/06/2016 bred by Exhibitor Sire: Am. Ch. Berimo African War Paint [USA] Dam: Ch. Taqsim Dust Devil. Critique: *Handsome black & white dog with shoulders that knit properly into his withers. His top line is level both standing at ease as well as on the move. His rear angles match his excellent front assembly with a true reach of buttock and well let down hocks. Adequate headpiece, though I'd like to see a darker eye. Structurally, this dog has a lot to offer most importantly: Proper running gear.*

2 Mr A Druce **CH TAMBUI THE MASTER OF ASCALLON** 3100325477 29/05/2015 bred by Exhibitor Sire: Ch Wuliango Sweet Dandelion (ai) Dam: Grand Ch Tambuzi At Light Speed. Critique: *Balanced red & white dog. Has a bit more bone than I would prefer. Handsome headpiece. Lovely feet. Not quite as smooth coming and going as the class winner. Good single curl tail and tail set.*

2 A & C Curnick **CH KARAMO MIKOLO** 3100273427 23/05/2012 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Ch Karamo Malamu. Critique: *More refined than his classmates. Needs more heart and lung room to prove himself. Moves with ease and a bit low to the ground in motion but stacks himself square on the table. Proper feet. Nice headpiece.*

## Open Dog (8)

**1 – Dog Challenge (25 points) – Best Open in Show – Best Exhibit in Show** J Delacourt & C Hatzikiriakos **SUP CH ZANDEENA GETN MY GAME ON** 2100454183 03/06/2016 bred by Mr M G Fox Sire: Sup Ch Zendeena Twist Of Fate Dam: Ch Dieali Pajurio Akordas (Imp Lth). Critique: *Spectacular, showy tricolor male. When this dog entered the ring, he took my breath away. Not only is he well built, he possesses a tremendous amount of style both standing and in motion. His tricolor coat is razor short, glossy, and with clear demarcation. He has a pleasant headpiece that meets the requirements, though that is not ultimately his strongest suit. He has a body to die for: Masculine, smooth musculature, yet with the elegance and aristocracy that I'm looking for in my best of breed winner. He uniquely possesses exceptional strength in what I considered to be the greatest weaknesses amongst many of his competitors: This dog moves effortlessly with long smooth strides, not overdone nor forced. He would just go - in a flow - and never quit; A true showman, he was genuinely loving every moment in the ring. His rock solid top line held his outline with every step and pose. His skillful handler nearly disappears behind him as she firmly keeps her partner in the spotlight. If I could put the head of my reserve challenge dog upon the body and style of the Challenge dog, that would be nirvana (I'd hafta steal such a dog and take him home with me!) This is a dog show, after all, so when you have the depth of quality as we had here today, with this caliber of presentation, and yet there is one who not only delivers his Moment of Brilliance, but goes above and beyond to demonstrate his stamina, he becomes undeniable. I truly enjoyed this dog.*

**2 Ms P Hickie CH KIKONGO TRIXIES KRUGER MOJO** 2100361861 17/06/2012 bred by Exhibitor Sire: Ch Zanzipow Eskimo Jo Dam: Ch Gaelifrey Wynter Kyss. Critique: *This dog, also a tricolor, is not as fancy as the class winner, but is humble and true. He, too, is an honest easy mover who is sure to be able to perform his task of hunting all day and covering over 20 miles a day. He has a terrific headpiece with proper proportions of muzzle to skull. This dog has a lot to offer, too.*

**3 Ms S Egan NAILAH FACINGTHE ARCHANGEL** 4100243480 23/06/2014 bred by C . Petersen Sire: Aust Ch Nailah Embracing The Decision Dam: Sup Ch Baagna Free Soul. Critique: *Good looking red & white fellow with a flashy tail curl and a handsome headpiece. He stands square with a solid body style. However, his shoulder blades knit into his vertebrae too high which causes the incorrect folds at the withers. The pads of his feet should be thicker. The valued temperament of this dog was tested in the ring by another exhibit who was understandably hot and bothered, but even under such duress this exhibit made smart choices and behaved admirably.*

## Veteran 7-10 Dog (2)

**1 – Opposite Veteran 7-10 in Show** A & C Curnick **GR CH BARZOOM CAPTAIN JAMES T** 2100318810 01/06/2010 bred by Mrs B E C Salmon Sire: Ch Karamo Zinga Kitoko Dam: Barzoom Morticia. Critique: *Handsome 7-year-old gentleman who still wears a becoming red & white coat. Very clean and graceful mover with a handsome headpiece. Great exhibit.*

**2 Miss J Robert CH. T.CH. TS. GRAND. CH. YULARA MUTUA (IMP SWEDEN)** S11709/2009 29/11/2008 bred by M. Massih & M. Lowbeer Sire: Amer. Ch. Reveille Tricycle Two Dam: Fin. Swed. Ch. Yulara Itichika. Critique: *Possessed more heft than the class winner, most notable he was loaded in the shoulder. Proper proportion of muzzle to skull. All and all a very nice dog.*

### Veteran 10+ Dog (1)

**1 – Best Veteran +10 Years in Show Mrs B Reid GRAND. CH. T. CH. TS. GRAND. CH. TAQSIM SMOKE AND MIRRORS 3100155462 05/08/2005** bred by Exhibitor Sire: Ch. Tamsala Skulduggery Dam: Am. Ch. Ch. Signet Where There's Smoke (imp USA). Critique: *Holding himself together nicely for 13-1/2 years of age, though a bit heavy - not in optimal condition. Handsome head shape and type. I certainly hope that he is seen in pedigrees of the younger exhibits here today as he is a very nice dog.*

### Minor Puppy Bitch (3)

**1 – Opposite Minor Puppy in Show Ms P Hickie KIKONGO RED MINX OF THE SPHINX (AI) 2100482816 18/07/2017** bred by Exhibitor Sire: Sup. Ch. Afrikenji Hot Sumaknight Dam: Ch Kikongo African Eskimo Kyss. Critique: *Lovely bitch, very pretty headpiece that is distinctively feminine. Nice and easy going around. Proper red & white coat in both color and texture. Good feet and tail set. Shoulder is set too high on her vertebrae causing the wrinkle effect at her withers. Uses herself well. Overall a nice package.*

**2 Mrs Jennifer Power ZANZIPOW OMEGA TIMELESS LUXURY 2100479071 01/07/2017** bred by Exhibitor Sire: Ch Gaelifrey Wynter Frost Dam: Ch Zanzipow Stellar Red Surprise. Critique: *Stellar tricolor coat that glistens in the sunshine. Lovely headpiece. Good feet. Today she's not delivering the promise of what I see in the parts, likely due to the heat of the day. She certainly has potential.*

**3 N Notting TAMARD BEAUTY QUEEN 2100478172 04/07/17** Breeder: E & B Wyatt Sire: Tamard Tribal Justice Dam: Tamard Your Beautiful. Critique: *Such a sweetie with great expression, amplified by her abundant wrinkle. Good feet. She certainly possesses proper type, but she didn't quite converge underneath her chassis.*

### Puppy Bitch (2)

**1 – Best Puppy in Show K Delacourt's WAZAZI GIVES YOU GOOSEBUMPS 2100478058 20/06/17** Owner: Breeder Sire: Ch Wuliango Sweet Dandelion (AI) JC Dam: Ch Ngozi Shes Too Cool (AI). Critique: *Lovely red & white bitch who managed to recover an understandable spook when a canopy overturned shortly before her ring time. She truly possesses "the appearance of high on leg" that we hope to see. Properly proportioned. Pretty headpiece. Nice feet. Stunning outline.*

**2 Ms A. Lummevaara & Mrs L. Hughes REMWIN NEVERGONNABREAKMYSTRIDE 2100088207 02/06/2017** bred by L. A. Hughes Sire: Eurrabbie Zues Dam: Sup. Ch. Remwin Kissmycheek. Critique: *In very tight competition to place behind the class winner, this pretty tricolor makes a nice picture with a very sweet expression. Lovely feet. Did not converge underneath her chassis properly.*

### Junior Bitch (3)

1 – **Opposite Junior in Show** Ms K Ordar **NONAYM CONGO BELLS A HUNTING** 3100360376 27/05/2017 bred by Exhibitor Sire: Ch Afrikenji Hunting High And Low Dam: Gr Ch Nonaym Bells Of The Congo. Critique: *This is a girly-girl who carries a truly feminine aura in tricolor. Her gentle expression is deep and far-seeing into the soul. Architecturally, she is well balanced and quite lovely. She took a bit of ring time for her to come into herself today, (an apparent novice) but she did, indeed, deliver. She has a spectacular coat. Beautiful feet, she could go all day.*

2 A & C Curnick **KARAMO LOBIBI** 3100358632 12/05/2017 bred by Exhibitor Sire: Ch Bkela Kobi Askari Dam: Ch Karamo Karemba. Critique: *A pretty, red & white girl. Sweet expression. Needs a stronger top line. Longer in fore face than the classmate who defeated her, but overall a lovely exhibit.*

3 Ms T Johnson **TEEEFOO BOOTS NIGHT TIME GIRL** 2100476225 19/05/2017 bred by Exhibitor Sire: Ch. Remwin Against All Odds Dam: Glendawn Black Of The Night. Critique: *Black and white with lovely hindquarters. Nice feet. Pretty face. Coming and going she is not converging underneath her chassis properly as her front angles don't match her stronger rear.*

### Intermediate Bitch (5)

1 – **Bitch Challenge Certificate (25 points) – Best Intermediate in Show – Runner Up and Best Opposite in Show** Mrs Lynette Hughes **REWIN ITSALLABOUTME** 2100456539 05/07/2016 bred by Exhibitor Sire: Ch. Remwin Black Ramesis Dam: Sup. Ch. Remwin Kissmycheek. Critique: *An outstanding bitch with superb head structure. frosted with a true sighthound expression that could not be denied. She possesses the small, hooded ears of the Standard which have become elusive in my country, as well as the cushion at the muzzle. Her almond shaped black eye glistens against her painted on black & white coat. She is very pretty in outline with the proper transition from the vertebrae through the withers and into her truly level top line. Her headpiece is exemplary to my eye and could serve as the ideal model of a Basenji bitch, and most certainly in black and white. This girl has the proper running gear as well as pinnacle, classic, "old-school" type that the global Fancy expects to see in Australia (yet few of the exhibits honed this style). This girl absolutely bloomed in the Challenge, covering ground very efficiently, and showing herself far better than she had in the Intermediate class. I could not imagine a more ideal black & white Basenji bitch, and for that reason, she could not be denied the Challenge.*

2 Mrs Jennifer Power **ZANZIPOW BOWIES REBEL REBEL** 2100445447 14/01/2016 bred by Jennifer Power Sire: Sup Ch Zandeena A Twist Of Fate Dam: Aust Ch Zanzipow Stellar Red Surprise. Critique: *Proper bend of stifle though a bit high in the rear. Pretty headpiece with an appropriate inquisitive expression. In a perfect world, her muzzle could be a bit shorter, but all and all very pleasing.*

3 Dr D Braithwaite & Miss M Cliff **CH NAYEMBE SAFIYAS SARABI** 2100457576 08/07/16 Breeder: Exhibitor Sire: Ch Kikongo Trixies Kruger Mojo Dam: Ch Bullab Xenas Safiya. Critique: *Truly square and high on leg. A very feminine, finely boned bitch, a bit too wispy for my personal taste, but does embrace breed type.*

### Limit Bitch (6)

1 – **Best Limit in Show** Mrs Jennifer Power **ZANZIPOW BOWIES ZIGGY STARDUST** 2100445449 14/01/2016 bred by Jennifer Power Sire: Sup Ch Zandeena A Twist Of Fate Dam: Aust Ch Zanzipow Stellar Red Surprise. Critique: *This girl stood out in her class as she has the proper transition from the vertebrae through the withers flowing into a level top line. She has a lovely expression and the prettiest face in the class to my eye including the correct almond shaped eye that is very dark in color. Her back skull and head proportions are ideal. Good working feet. Truly square. Lovely put together.*

2 Ms L Hunter **ZANZIPOW BOWIES ASHES TO ASHES** 2100445450 14/01/2016 bred by Mrs J Power Sire: Sup. Ch. Zandeena A Twist Of Fate Dam: Ch. Zanzipow Stellar Red Surprise. Critique: *After the class competition I was informed that this exhibit is a littermate to the class winner, so it is not surprising that they are very similar in style and type. However, they are discernible in a few points. This girl has more bone than her sister, and I prefer the outline of the class winner particularly through the withers. Both girls are lovely with excellent feet and are good movers.*

3 Ms S Egan **UNOMEES SWEET SUMTHN** 3100342423 25/05/2016 bred by Exhibitor Sire: Aust Ch Unomee Ultra Million Dam: Aust Ch Unomee Sweetly Smug. Critique: *Got off to a bad start as she was spooked by an overturned canopy, but we gave her time and she came around. She has a expressive head piece, possesses an unusually short muzzle and yet her dentition is well intact in perfect alignment. Short muzzles like these are becoming elusive, even here in Australia. However, she was not as well collected on the move as her classmates.*

### State Bred Bitch (3)

1 – **Opposite State Bred in Show** Ms K Ordar **NONAYM THE SOUND OF SILENCE** 3100290886 16/06/2013 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Unomee Unique Stunna. Critique: *A formidable little powerhouse of a bitch. She has a spectacular headpiece, profuse wrinkle, short muzzle, small ear, dark eye. Could be more balanced on the move, but this girl oozes with attitude.*

2 Mr A Druce **SUP CH TAMBUZI THE SECRET SOCIETY** 3100325478 29/05/2015 bred by Exhibitor Sire: Ch Wuliango Sweet Dandelion (ai) Dam: Grand Ch Tambuzi At Light Speed. Critique: *A close second, a sturdy yet lovely red & white bitch with plenty of leg, a level top line, and moves nicely. She doesn't have the headpiece that the class winner does, but she possesses true elegance in her stature. There are so many breeding opportunities for a bitch like this here in Australia as you could take her in many directions with promising results.*

3 A & C Curnick **CH KARAMO ELOLI** 3100308605 02/07/2014 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Ch Karamo Mopanzi. Critique: *Dark brindle bitch with well-defined striping. Tail and ear set could be higher. Uses herself very well on the move.*

### Australian Bred Bitch (4)

1 – Reserve Challenge Bitch – Best Aus Bred in Show Mrs Jennifer Power **CH ZANZIPOW BOWIES CHINA GIRL** 21004454451 14/01/2016 bred by Jennifer Power Sire: Sup Ch Zandeena A Twist Of Fate Dam: Ch Zanzipow Stellar Red Surprise. Critique: *First and foremost, this lovely red & white girl covers the ground beneath her effortlessly. She is true poetry in motion, absolutely breathtaking. She could go all day and I would be happy to watch her do so. Her front assembly with proper shoulder set and layback is put to good use in concert with her strong hindquarters and running gear. She has the correct almond shaped eye, very pretty, feminine headpiece, with a gentle taper towards the muzzle which - in a perfect world - I'd like to see a trifle shorter. She makes a lovely, elegant, feminine package and is absolutely delightful in the ring.*

2 Mr G E Ashley & Ms J James **BAYENZI HOLLY GOLIGHTLY** 2100407185 21/05/2014 bred by Exhibitor Sire: Bayenzi Tribeca Dam: Ch Bayenzi Eloise At The Plaza. Critique: *Such a pretty headpiece on this bitch also covers ground nicely. Another one of today's excellent tricolor exhibits, this girl has the correct proportion of muzzle to skull. She certainly would have been in first place had the class winner not been present. However, she too, has the faulty shoulder assembly that I have seen so often today with the wrinkles at the withers from an upright shoulder knit too high on the vertebrae.*

3 Ms D Lindqvist & Mr M Calderwood **CH BKELA MEEAM MALI** 3100290780 12/06/2013 bred by Exhibitor Sire: Ch Bkela Suni Mokobi Dam: Ch Bkela Malawi. Critique: *Puts herself together nicely. Does not have all the daylight beneath her chassis as those who placed ahead of her. But she has a very pretty headpiece with a nice short muzzle.*

### Open Bitch (3)

1 – Opposite Open in Show Ms K Ordar **GR CH NONAYM BELLS OF THE CONGO** 3100290885 16/06/2013 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Unomee Unique Stunna. Critique: *Pretty tricolor bitch with nice crisp demarcation. Lots of quality is this petite package. Lovely tail and tail set with good reach of buttock. Nice point of fore chest. Tons of wrinkle. Shiny coat of proper texture.*

2 Ms Brigid Effi Celine Salmon **CH.BARZOOM POSSUM MAGIC** 2100342305 24/06/2011 bred by Exhibitor Sire: Ch. Barzoom Special Finale Dam: Ch. Teschi Cover Girl. Critique: *Red & white pretty girl. She is a little longer in loin which is what enables her to move clean. Has plenty of wrinkle, but she is reluctant to show it today.*

3 A & C Curnick **CH KARAMO KAREMBA** 3100273429 23/05/2012 bred by Exhibitor Sire: Ch Barzoom Captain James T Dam: Ch Karamo Malamu. Critique: *Lighter in coat color, and a bit more fore face than I'd prefer to see. Her unusually long toes create a bigger foot, but the pads are thick, and the foot is tight enough to hunt upon. Pretty facial expression. Easy going way about her.*

### Veteran 7-10 Bitch (3)

1 – **Best Veteran 7-10 Years in Show** Mrs Lynette Hughes **SUPREME GR. CH. REMWIN KISSMYCHEEK** 2100320838 19/06/2010 bred by Exhibitor Sire: Sup. Ch Baagna Alpha Cheek Dam: Gr. Ch. Remwin Senajay. Critique: *Lovely red & white girl of 8 years with a delightful expression who is clearly enjoying herself out in the ring today. Proper shoulder assembly. Matching front and rear angles serve her well on the move. Veterans who can stand the test of time like this demonstrate their architectural correctness. Great package. I hope and trust that this girl has contributed to the gene pool because she has so much goodness to share.*

2 Ms Brigid Effi Celine Salmon **KIMONDO JUNGLE JANE** 2100288178 20/07/2008 bred by Mr G E Ashley & Ms J James Sire: Debrak Stars N Stripes Dam: Ch. Teschi Marble Lass. Critique: *Poised, efficient movement. Truly light on her feet. Doesn't have the shoulder angulation of the class winner so she doesn't cover as much ground. Correct head proportions. Overall nice package.*

3 A & C Curnick **CH KARAMO MOPANZI** 3100220867 18/04/2009 bred by Exhibitor Sire: Ch Teschi Forest Shadow Dam: Ch Karamo Nkuba. Critique: *Brindle bitch with proper clear demarcation. Tail set needs to be set higher. Good head proportions. Came together nicely on the go-round.*

### Veteran 10+ Bitch (1)

1 – **Opposite Veteran 10+ Years in Show** Ms T Johnson **CH. EURABBIE HERMIONE** 2100166715 02/07/2003 bred by Mrs L A Hughes Sire: Ch. Eurabbie Obi Wun Konobi Dam: Ch. Eurabbie Psyche. Critique: *This black and white bitch of "fifteen" defies her years. She's held together astonishingly well. Lovely coat in color and texture. Pretty headpiece in proper proportion with a lovely dark almond eye (so terribly important with the black & whites) and still with full dentition. Great feet. She is beginning to hold her tail a bit low, but we all experience a bit of sagging in the caboose as we age <g>. I would have dearly loved to have seen her younger days when she was able to show me how well her proper elements served her.*

### Open Neuter Dog (3)

**1 – Opposite Neuter in Show** Mrs Lynette Hughes **GR. CH. REMWIN LITTLEBITOFCHEEK** 2100320836 19/06/2010 bred by Exhibitor Sire: Sup. Ch. Baagna Alpha Cheek Dam: Gr. Ch. Remwin Senajay. Critique: . *My favorite headpiece in the class. Collects himself nicely on the move. Top line could be more level but uses himself well.*

**2 Miss M Darr & Miss K Delacourt AUST CH & NEUT CH WAZAZI HIGH VELOCITY** 2100275350 11/06/2008 bred by Miss K Delacourt Sire: Gr Ch Jebelmarra Harum Scarum Dam: Ch Wazazi Awesome Glamour. Critique: *Also has a strong headpiece. This exhibit doesn't possess the quantity of bone that I prefer, that the class winner did.*

**3 V Dixon ZANDEENA U DON'T KNOW JACK** 2100361868 22/06/12 Breeder: M G Fox Sire: Ch Zandeena A Twist In The Tail Dam: Ch Baagna Bea Diva. Critique: *This dog oozes with delightful character, though his conformation is not of the ilk of his classmates. My greatest concern for him is how splayed his feet are as I can see the ground between his toes.*

### Open Neuter Bitch (4)

**1 – Best Neuter in Show** Mrs L Cooper **CH. KANIBARU HEAVENLY AURORA** 6100088999 06/09/2014 bred by Miss D Hopkins Sire: Ch Kanibaru Visual Touch Dam: Ch Kanibaru Sunshine Goddess. Critique: *Covers ground effortlessly because her angles match and her shoulders are positioned to enable her upper arm to reach. She carries her head proudly while gaiting because her head is positioned properly upon her vertebrae. Lovely outline both standing and in motion. Pretty headpiece. I hope that she was given a chance to contribute to the gene pool before she was spayed as her correct structure is what was sorely missing amongst the majority of exhibits today.*

**2 – Runner Up Neuter in Show** Ms P Hickie **CH. GAELIFREY WYNTER KYSS** 2100232743 01/07/2006 bred by Ms Hp Church Sire: Ch Teschi Trilogy Dam: Ch Gaelifrey Coda Silence. Critique: *Lovely bitch with a pretty headpiece: shorter muzzle and a proper dark almond eye. A very different style than the class winner, yet also pleasing to my eye. A good mover, not as elegant, but not faulty.*

**3 Miss M Darr AUST CH WAZAZI RAPT IN RUBYS** 2100363427 08/06/2012 bred by Miss K Delacourt Sire: Ch Bayenzi Sugar Minott Dam: Ch Wazazi Awesome Glamour. Critique: *Red & white bitch with an endearing expression and a lovely dark almond eye. Good bend of stifle. Top line is not as strong as is needed to make the typical outline. Baited best when standing for the critique rather than during the competition.*

*Best Neuter in Show, Runner-Up Neuter in Show and Opposite Neuter in Show*
